

LALS 2022 - Golden Sands Resort, Bulgaria

The conference “Laser Application in Life Sciences” (LALS) will take place in Golden Sands Resort, Bulgaria from October 02 to 05, 2022.

The Golden sands resort is 18 kilometres north of the city of Varna and near to the Golden Sands National Park. It is a magnificent resort, the largest one on the Northern Black Sea coast, with richly wooded hills, white golden beach and clear blue sea.

LALS’2022 will be organized by Institute of Electronics, Bulgarian Academy of Sciences. Established in 1869, the Bulgarian Academy of Sciences is the oldest institution in modern Bulgaria. It carries out scientific work in accordance with the universal values, national traditions and interests.

It is a privilege for IE-BAS to organize and host such event as LALS’2022, bringing together local and international researchers, clinicians and industrial partners involved in the field of Biophotonics and applications to share their latest research, results, instruments and products.
