Nancy, 10<sup>th</sup> March, 2020

Dear LALS2020 attendees,

Although the local organizing committee of LALS2020 in Nancy (France) prepared an exciting scientific and social program as well as a great industrial exhibition, the current international situation related to the Covid-19 spreading imposes to postpone LALS2020 to spring 2021 in Nancy (France).

We count on your comprehension for maintaining your valuable contribution to LALS2021 in Nancy and make it a success!

We also warmly encourage participants already registered for LALS2020 to keep their registration for the next edition.

Please monitor our website, and we will soon advise you of the new date.

Best regards,

Kirill Larin, for the LALS International Advisory Board  
& LALS2020 Local Organizing Committee"
